Bouwfysica Vereniging

## Nederlands Vlaamse Bouwfysica Vereniging (Dutch Flemish building physics association)

- Established May 12 1989 : Nederlands Vlaamse BOUWFYSICA VERENIGING voor Wetenschap en Praktijk

The diagram illustrates the association's focus on two main areas: Knowledge exchange and Networking. Knowledge exchange is supported by a website and a magazine titled 'BOUWFYSICA IN DE ZORG'. Networking is supported by a magazine titled 'BOUWFYSICA excursie en tentoonstelling' and a photo of two men in conversation.
